

Introducing... Gallagher Bassett Services Pty Ltd

Partnering with Electronics & ICT Association

Gallagher Bassett Services Pty Ltd (GB) is a specialist consultancy company providing services for over 18 years and specialising in all matters relating to the management of workers' compensation and OHS issues.

The Electronics & ICT Association and GB have developed a partnership to offer a very useful service to Electronics & ICT Association members.

Gallagher Bassett provides:

- a one-stop-stop for prevention programs, claims management, HR and return to work services
- experienced staff with widely held reputations.
- workplace training in OHS and workers' compensation legislations
- legislative and systems auditing
- practical, relevant and timely advice
- assistance in identifying exactly what you require to reduce your workers' compensation costs
- strategies to remove long term claims and progress "stuck cases"
- an integrated team approach to early intervention strategies
- assistance in SafeWork SA investigations
- prompt commencement times, turn around and reporting
- generic and tailored policies, procedures and forms.

Electronics & ICT Association members are able to call or email GB to receive free advice on single issues. If your requirements exceed one hour or service, we offer a special rate to Electronics & ICT Association members of \$105 per hour*.

If you would like more information on this service, please contact the Electronics & ICT Association Office on (08) 8272 5222 or alternatively, contact GB direct on (08) 8357 2655 or email adelaide@gbtpa.com.au.

*(*price is exclusive of GST and out of pocket expenses and does not include attendance at Tribunal Hearings which is charged at \$130 per hour plus GST and out of pocket expenses).*
