

TIA Members' Staff Insurance Advantage

Staff Special Insurance Discounts

For around 30 years Donnelly Insurance Brokers have provided preferential premiums to members and staff of large organisations as a preferred source of business.

As your employer is a member of **Technology Industry Association**, you can take advantage of very attractive premiums which Donnellys have negotiated with two leading insurance companies on behalf of TIA. We aim to provide the "best value" cover for clients so the covers offered are very high quality – as well as low cost!

TIA Members' Staff Insurance Advantage

✓ Preferred Client

As a staff member of a TIA member, you are considered a preferred client and entitled to special premiums.

✓ Your Representative

We work for you, not the insurance company. Protecting your interests is our prime concern.

✓ Easy Claims

We help organise your claims with the insurance company to ensure a prompt and fair settlement.

✓ Quality Cover... Competitive Price

It's our job to research the best value-for-money policies available so you can make an informed choice about what suits you best.

✓ Continual Research

We continually research the market to ensure your covers are kept up to date with the market.

✓ Easypay

Donnellys Easypay system allows you the opportunity to pay your premiums on a monthly deduction basis from your savings account or credit card.

Before you arrange or renew your insurance, why not try the TIA Members' Staff Insurance Advantage. Just call us and mention your TIA employment connection to get your special quotation from one of our friendly insurance advisers who await your call.
